[You might notice something different. Eureka!, we have a MCS group.]

The WASC preview and poster is our most important item, but hopefully we can cover all of these.

1. WASC review (poster to Laura by Jan 12; decide who staffs our poster during session (Feb 6-9))
2. library videos: replace with DVD or not?
3. grader requirements for Spring (timesheet policy)
4. converting account to endowment (recall subject "$20K")
5. assessment strategy
