Meeting Fri 3/30 at 9:00am
by Wayne Iba - Thursday, 29 March 2007, 08:37 PM

Reminder: we meet with the architects at 9:00am tomorrow. If you have not previously responded with your homework assignment, please do so tonight. If you do not have a chance, we will do the best we can at asking for reasonable amounts of bookshelves and filing cabinets.

Also, if you have any changes you would like to make to course descriptions for next year's catalog, let me know tomorrow about that as well.
