II. The minutes of the January 30th meeting were approved.

III. Update on the Westmont Outcomes Redesign
John gave an update on the redesign of the Westmont Outcomes and our assessment efforts based on his meeting with Senate. Overall the proposal was viewed favorably and Senate asked good questions about the proposal. Tatiana and John will meet together to review their feedback and present a modified version to the GE Committee. This will then be forwarded on to Senate for final consideration.

IV. Audit the GE Combined Document
The committee worked in groups of 2 where each group took 1/3 of the document to review looking for outdated language and gaps of items that need to be completed. The committee began a list of items to discuss further or send to various departments for revision. This process will be completed at a later meeting.

Respectfully submitted,
