2010 Student Homecoming Committee
Application Form

The Student Homecoming Committee is responsible for the coordination of various student activities and traditions surrounding Homecoming Weekend on October 1st -2nd 2010. While rewarding, the committee will take time. There will be 3 meetings this spring that must be attended and weekly meetings during the month of September as well as independent & committee planning work outside of meetings. Please submit this form either electronically to adamour@westmont.edu or in hard copy to the Campus Life Office (2nd floor, KSC) Midnight, Tuesday April 6.

The selection of committee members is not so much based on how much you have done or even the length of your resume in student activities. Rather it is based on your expectations for the position and how those expectations will be met under the time constraints of putting on large-scale events in only a short month’s time.

Please briefly respond to these questions (no more than 200 words per question):

1. Why would you like to join the student homecoming committee?

2. What qualifications would you bring to the position?

3. What other commitments do you currently have (course load, work, extracurricular activities, etc.)?

Thank you for your application for the Student Homecoming Committee. We will review applications, and select two members of each class to serve on the committee by Friday, April 9th. If you are not selected as a committee member we still need you! There are lots of ways to be involved and being on the committee is just one way you can contribute your time and good ideas.
