Documentation Form for Students with Functional Impairment due to Medical Conditions

The student named below has applied for services from the Disability Services (DS) at Westmont College. In order for DS to establish whether this student has a disability and to determine eligibility for services we will need your assessment and diagnosis of this student. A disability is defined as a physical or mental impairment that limits one or more major life activities such as those delineated below. You can fax or mail the form to us at the address listed on this form. If you prefer, you can answer these questions in a signed and dated letter on your professional letterhead.

For more information on Disability Services visit our website at Westmont.edu.

Today’s date: _____________________________________________________

Student’s Name: ___________________________________________________

Date of Birth: ___________________________ Month Date Year

1. What is the diagnosis/impairment?

__________________________________________________________________________________________
