**SITE SUPERVISOR**

On behalf of my Organization I agree:

1. To enrich the Student's knowledge by orienting him/her to the occupation, the work setting, and the responsibilities relating to the Placement.
2. To supply the Student with, and personally model, our policy against harassment and discrimination in the workplace.
3. As the entity with influence over and responsibility for workplace safety, to extend Worker's Compensation to the Student in the event of an injury, just as would be extended to an ordinary employee. (Line through this item [#3] if no compensation.)
4. To assume the normal legal liabilities associated with our business, as they may be affected by the internship.
5. To contact the Instructor should problems arise.
6. At or near the completion of the Assignment, to complete an evaluation of the Student's performance.

**And for Placements for more than zero units (as marked above)**

7. To review and approve the Student's learning plan.
8. To regularly evaluate and offer feedback on the Student's progress, projects, and areas of growth, and to review progress on the learning plan.
9. To delegate no more of the Student's time for routine clerical tasks (taping, copying, answering the phone, and keyboarding) than is necessary for fulfilling the learning plan.

**To the Site Supervisor:** Westmont recognizes that your willingness to offer this opportunity to the Student represents an investment of time, energy and attention. Over and over again we have seen outcomes that are beneficial for the internship sites as well as for the Student, and we appreciate that you make this possible.
