1.5 Protocols for Revision of the *Faculty Handbook*

1.5.1 Publication

1.5.1.1 New Editions of the Whole

Every three years the Faculty Council will confer with the Provost to ensure the completeness and accuracy of the *Faculty Handbook*. A new edition of the whole *Faculty Handbook*, updated to include all revisions authorized since the last edition, will be published as often as the Provost and the Faculty Council deem necessary, but at least as often as each of their triennial reviews.
