FELLOWSHIP RESEARCH GRANTS

ELIGIBILITY: Professionally established individuals who are associated with educational or research institutions. The effort supported should lead to advancement of knowledge through teaching, lecturing and publication.

FIELDS: Emphasis on disciplines from the social sciences and humanities such as economic, philosophy, international affairs, and government/ politics.

TENURE: MAXIMUM TERM IS 12 MONTHS.

VALUE: \$520 to \$20,200 with average \$8,919.

APPLICATION: MUST INCLUDE PERSONAL HISTORY, FULL DESCRIPTION OF PROPOSED RESEARCH, ABSTRACT OF APPROXIMATELY ONE PAGE OR 250 WORDS, INTENDED END USE OR PUBLICATION, BUDGET AND TIME SCHEDULE, LIST OF REFEREES, STATEMENT ABOUT APPLICATIONS PENDING ELSEWHERE.

RESTRICTIONS: Not for general operating support, endowment or building programs.

DEADLINE: Applications should be submitted not less than 120 days before commencement of projected work period.

GRANTS TO ORGANIZATIONS

Eligibility: Publicly supported educational and research organizations.

Value: Range from \$1,500 to \$50,000

Specific projects or activities are identified and frequently the grant will also designate a person named to executive or monitor the activity. Requests for general operating grants and meritorious proposals of a broader scope than the regular program occasionally are considered.

Written inquiries are preferable before a formal submission.
