https://storm.westmont.edu:8443/WAMAIN/WAMAIN

Internet Explorer 7.0, Firefox or Safari are REQUIRED to Log In to WebAdvisor
You will use **Grades & Grade Point Averages by Term** to view your grades at the end of each semester.

**Transcript** will display all Westmont credit. This includes AP/IB test credit and transfer courses Westmont has accepted. Please note that transfer courses are not calculated in your Westmont GPA, although the grade (or AP/IB test score) is displayed on the transcript. You will use this feature of WebAdvisor to print an unofficial transcript if you need one for verification of enrollment or for health or auto insurance purposes.

**Program Evaluation** displays your progress in meeting your General Education (GE) and major/minor degree requirements. Only the General Education requirements appear until a major has been declared. All students must submit a *Declaration of Major* form to the Student Records Office by the end of their sophomore year.

You will use **My class schedule** to view and/or print a copy of your class schedule for the current term. Please review your class schedule after registration to confirm you are enrolled in the correct courses. It is very important for you to review your class schedule after any add/drop activity to make certain your add/drop was processed correctly.

**My profile** displays basic profile information. **It is separate from your student profile that you access from Current Students on the Web.**

**Course sections may be Open, Closed or Waitlisted. Waitlisted = Closed.** Students on the waitlist must go to the class to see if space has opened up because other students have dropped the course. They must obtain the instructor's signature on an add/drop form and then bring the add/drop form to the Student Records Office in Kerrwood Hall to register for the course section.

**ART-001** has two sections, -1 and -2. They meet at different times. To obtain section information for the ART-001-1 section click on the blue underlined text. (See Section Information example on the next page.)

**One (1) seat is Available.** The **Capacity** for this course section is 15 and 1 student is on the **Waitlist.**

Once a course has a waitlist it will continue to show as Waitlisted even if the **Available** number is greater than zero (0). **Waitlisted = Closed.** Students are not automatically registered from the waitlist. They must go to the class and obtain the instructor's signature on an add/drop form and then bring the add/drop form to the Student Records Office in Kerrwood Hall to register for the course section.

**Use these controls if there is more than one page (screen) of information.**

**Click OK to return to Search for Sections.**
