

## Liberal Studies Major Regular Track: Sample 4-year plan

(completes pre-requisites for Westmont's Teaching Credential Program)

*Note to students and advisors: Remember that this is a SAMPLE. Your schedule, for many reasons, will probably not end up looking exactly like this. This plan shows how you can complete a Liberal Studies Major in 4 years. You would be prepared to apply to Westmont's Teaching Credential Program which could be completed in a fifth year of study. With careful planning and (in many cases) summer coursework, you can complete both your Liberal Studies major and a Teaching Credential. See the 4-year Fast Track Sample Plan.*
