APPLICATION FOR ADMISSION AS A NON-MATRICULATED (SPECIAL) STUDENT

1. Students may be admitted to the summer term, or with special permission, as part-time students in the regular semesters, without fully matriculating. Such students are classified as special and are not candidates for a degree at Westmont College. (see catalog: Admissions - Special Students.)
2. Enrollment in any course is subject to the approval of the instructor and the Registrar.
3. Non-matriculated (special) students in the regular sessions must maintain at least a "C" average in Westmont courses in order to register for a subsequent semester.
4. Acceptance of this application and completion of courses at Westmont does not admit a special student to regular standing in the college.
5. Non-matriculated (special) students are admitted to courses in the order of receipt of application and as limitations of enrollment and facilities permit. Special students should report to class before the initial class session to obtain the instructor's signature on an Add/Drop form, then report to the Student Records Office to register.
