“The Heritage Club is foundational to the legacy of Westmont Soccer. This unique, one of a kind support organization is critical to our success.”

— Dave Wolf, Head Coach Men's Soccer, Athletic Director
The Heritage Club

For more than 40 years, Westmont Warrior soccer teams have competed with skill and integrity. Their impressive record includes the Golden State Athletic Conference Championship 12 out of 22 years, the Far West regional title six out of 15 years and, best of all, the 1972 NAIA National Championship. In addition, Westmont is the winningest program in the history of the NAIA (552-238-88).

To support this outstanding program and keep former soccer players connected to the college, a group of alumni and coaches have founded the Westmont Soccer Heritage Club.

Heritage Club Goals

• Build a foundation of former players, current and former parents, students and friends of Westmont soccer who have enjoyed the program’s success and atmosphere over the years.

• Create a network of supporters who enjoy keeping in touch with the latest developments of their soccer club.

• Provide a way for graduating players to continue their connection to the program. The Heritage Club will recognize the contribution of these athletes with a letter of commendation and a one-year free membership.

• Celebrate a weekend with soccer alumni.

Privileges of the Heritage Club

• Members receive a season pass to all home games.

• Members, upon request, may obtain complimentary tickets for away games by contacting Dave Wolf (805-565-6106) in advance.

• Members receive results of soccer games by e-mail on the day following a match. E-mails include Santa Barbara News-Press articles featuring the team and individual players. Members without e-mail access can obtain updated information by contacting the Westmont Sports Hotline (805-565-7010) or by checking the Westmont Web page at www.westmont.edu. Scores from Saturday games will be e-mailed on Monday.

• Members will receive the Warrior’s media guide to become better acquainted with the current team roster.
