

FACULTY AND STAFF ARE MANDATED REPORTERS OF SUSPECTED ABUSE AND NEGLECT OF CHILDREN

By law and college policy, all of us are “mandated reporters” of suspected child abuse and neglect.

The state legislature recently expanded the list of those who are "mandated reporters" of suspected child abuse and neglect. Mandated reporters (as of January 1, 2013) now include not only teachers but also all employees whose duties bring them into contact with individuals under the age of 18.

We come in contact with students and guests who are under the age of 18.

While the majority of Westmont students are 18 years of age or older, the college typically enrolls approximately 80 students each year who are under the age of 18. So in keeping with the intent and spirit of the new legislation, **all Westmont faculty and staff are deemed to be mandated reporters of alleged or suspected abuse and/or neglect of minors occurring on campus, in college programs, or at college events.**

What is child abuse and neglect?

Child abuse includes physical abuse, sexual abuse (including sexual assault and sexual exploitation), willful cruelty or unjustified punishment, unlawful corporal punishment or injury of those under 18. Neglect occurs when an individual responsible for the health and welfare of a child fails to provide adequate food, clothing, shelter, medical care or supervision.

What must I do as a mandated reporter?

First, the law requires that each mandated reporter read and sign the Required Statement of a Mandated Reporter that is attached. The Required Statement includes a link to the pertinent sections of the California Penal Code.

When are we required to report suspected child abuse and neglect?

If in the course and scope of our work for Westmont we become aware of an allegation, or have reason to suspect, that someone under the age of 18 suffered abuse or neglect while on campus or while participating in a college program or event, then we are required by law and by college policy to report the information to law enforcement. Such reports can be made by calling: (805) 683-2724 for Santa Barbara County Sheriff's Office dispatch; **or** (800) 367-0166 for Santa Barbara County Child Welfare Services hotline

Must we also notify a college official?

While California's Child Abuse and Neglect Reporting Act (CANRA) does not require that you report the information to a Westmont official,

1. **Please feel free** to contact either Toya Cooper (ext. 6832, tcooper@westmont.edu) or Chris Call (ext. 6023, call@westmont.edu) if you have any questions about your reporting responsibility or the reporting process.
2. **Please remember** that a college policy (e.g., the Policy on Harassment and Discrimination) may require you to report an incident or allegation to a college official (e.g., Title IX Officer Chris Call).
3. **Please err on the side of alerting the appropriate college official.** This will allow us to provide the college's insurance carrier with a "notice of circumstance" whenever an incident creates potential legal liability for the college. In so doing, you'll help us in "keeping our resources applied to our mission."¹

¹ Office of Risk Management mission statement

By state law and college policy, all faculty and staff are now “mandated reporters” of suspected child abuse and neglect. This means that each of us must report to county officials any alleged or suspected abuse and/or neglect of children under 18 occurring on campus, in college programs, or at college events. A summary of our responsibilities and reporting options has been provided to you already and can be accessed on the Legal Affairs website. All faculty and staff must read and sign the required statement that follows:

California’s Child Abuse And Neglect Reporting Act

REQUIRED STATEMENT OF A MANDATED REPORTER

Definitions (P.C. 11165): The following situations are reportable conditions: 1) Physical abuse, 2) Sexual abuse, 3) Child exploitation, child pornography and child prostitution, 4) Severe or general neglect, 5) Extreme corporal punishment resulting in injury, 6) Willful cruelty or unjustifiable punishment, 7) Abuse or neglect in out-of-home care.

Who Must Report (P.C. 11165.7): Included among the categories of professionals who must report are all faculty or staff whose duties bring them into contact with students under the age of 18.

When to Report (P.C. 11166): A telephone report must be made immediately when the reporter observes a child in his/her professional capacity or within the scope of his/her employment and has knowledge of, or has reasonable suspicion that the child has been abused. A written report, on a standard form, must be sent within 36 hours after the telephone report has been made.

To Whom Do You Report (11165.9): You have a choice of reporting to the Police or Sheriff’s Department or the Probation Department or Child Welfare Agency. Each County has preferred reporting procedures. Commercial film or photographic processors report only to law enforcement. We also encourage you to reporting to an appropriate college official.

Anonymous Reporting (P.C. 11167): Mandated reporters are required to give their names. Non-mandated reporters may report anonymously. Child protective agencies are required to keep the mandated reporter’s name confidential, unless a court orders the information disclosed.

Immunity (P.C. Section 11172.) Any legally mandated reporter has immunity when making a report. In the event a civil suit is filed against the reporter, reimbursement for fees incurred in the suit will occur up to \$50,000. No individual can be dismissed, disciplined or harassed for making a report of suspected child abuse.

Penalty for Failure to Report (11166.01): Legally mandated reporters can be criminally liable for failing to report suspected abuse. The penalty for this misdemeanor is up to six months in county jail, a fine of not more than \$1,000.00 or both. Mandated reporters who willfully fail to report or impede reporting of abuse or neglect resulting in death or great bodily injury shall be punished by up to one year in county jail, a fine of not more than \$5,000.00 or both. Mandated reporters can also be civilly liable for failure to report.

Notification Regarding Abuse: You are not legally required to notify the parents that you are making a report; however, it is often beneficial to let the parents know you are reporting for benefit of a future relationship.

I understand that I am a legally mandated reporter. I have been provided with a copy of sections 11165.7; 11166 and 11167 of the Penal Code, and am now aware of my reporting responsibilities.

An employee who is designated to receive reports under this subparagraph shall be a commercial computer technician for purposes of this article. (f) Public and private organizations are encouraged to provide their volunteers whose duties require direct contact with and supervision of children with training in the identification and reporting of child abuse and neglect.

Section 11166.

- (a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.
- (1) For purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. “Reasonable suspicion” does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any “reasonable suspicion” is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.
 - (2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.
 - (3) Any report made by a mandated reporter pursuant to this section shall be known as a mandated report.
- (b) If after reasonable efforts a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup report.
- (1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.
 - (2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.
 - (3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

- (4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the State Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.
- (5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.
- (c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.
- (d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.
- (2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.
- (3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.
- (B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.
- (C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.
- (e) (1) Any commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practically possible, telephonically report the instance of suspected abuse to the law enforcement agency

located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.

- (2) Any commercial computer technician who has knowledge of or observes, within the scope of his or her professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images or material are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.
- (3) For purposes of this article, "commercial computer technician" includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (41) of subdivision (a) of Section 11165.7.
- (4) As used in this subdivision, "electronic medium" includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.
- (5) As used in this subdivision, "sexual conduct" means any of the following:
 - (A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.
 - (B) Penetration of the vagina or rectum by any object.
 - (C) Masturbation for the purpose of sexual stimulation of the viewer.
 - (D) Sadoomasochistic abuse for the purpose of sexual stimulation of the viewer.
 - (E) Exhibition of the genitals, pubic, or rectal areas of any person for the purpose of sexual stimulation of the viewer.
 - (F) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).
 - (G) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.
 - (H) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.
 - (I) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal

- procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.
- (2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.
 - (3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.
- (J) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.
- (K) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

Section 11167.

- (a) Reports of suspected child abuse or neglect pursuant to Section 11166 or Section 11166.05 shall include the name, business address, and telephone number of the mandated reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

- (b) Information relevant to the incident of child abuse or neglect and information relevant to a report made pursuant to Section 11166.05 may be given to an investigator from an agency that is investigating the known or suspected case of child abuse or neglect.
- (c) Information relevant to the incident of child abuse or neglect, including the investigation report and other pertinent materials, and information relevant to a report made pursuant to Section 11166.05 may be given to the licensing agency when it is investigating a known or suspected case of child abuse or neglect.
- (d) (1) The identity of all persons who report under this article shall be confidential and disclosed only among agencies receiving or investigating mandated reports, to the prosecutor in a criminal prosecution or in an action initiated under Section 602 of the Welfare and Institutions Code arising from alleged child abuse, or to counsel appointed pursuant to subdivision © of Section 317 of the Welfare and Institutions Code, or to the county counsel or prosecutor in a proceeding under Part 4 (commencing with Section 7800) of Division 12 of the Family Code or Section 300 of the Welfare and Institutions Code, or to a licensing agency when abuse or neglect in out-of-home care is reasonably suspected, or when those persons waive confidentiality, or by court order.
(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.
- (e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166 or Section 11166.05, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.
- (f) Persons who may report pursuant to subdivision (g) of Section 11166 are not required to include their names.
