Managing Your Student Account

Getting Started
1. If you plan to request any type of financial aid, submit a FAFSA and provide all required documentation to the Financial Aid Office.
2. New Students: Complete and return a Student Account Master Payment Agreement.
3. Estimate your payments on the following page.
4. Make payments on schedule. You can sign up for an Automated Clearing House (ACH) electronic funds transfer online.

Financial Aid
Complete and return all the financial aid forms and documents to the Financial Aid Office by June 1, 2014, so we can process them before sending the first billing statement. Pending financial aid awaiting documentation from you will not reduce the minimum payment requirements.

To ensure quality service and timely transfer of financial aid to your student account, please direct your financial aid questions to the Financial Aid Office, 888-963-4624 or finaid@westmont.edu.

Student Account Master Payment Agreement
Prior to your first semester at Westmont, you will receive a Student Account Master Payment Agreement, which is a credit agreement between you and the college. This agreement describes the terms for dealing with the unpaid portion of your student charges as well as any student-initiated charges for things such as medicine from the Health Center.

For your convenience, it is only necessary to complete and submit this form once, when you first enroll at Westmont. Please submit the signed copy by Aug. 15, 2014.

Billing Procedures
Westmont will send you a link to your billing information via email. Students will receive these emails at their Westmont email address, and parents, guarantors or guardians will receive these messages from Student Accounts only at the addresses provided by the student at the Account Login web page. Unauthorized individuals will not have access to this Student Account web page, nor will they receive messages regarding account updates or actions required. To authorize additional email addresses, visit our website.

In early July and early August preliminary fall semester billing information and financial aid will be posted at our website. The information will be updated daily, and will reflect the status of each student's enrollment and financial aid documents at the time of inquiry. Financial aid and student charges may change subject to additional documents submitted or actions taken by the student.

Transition to paperless billing
Westmont will also mail you a preliminary Fall 2014 billing statement in early July and August. These will be the last paper regular statement billings that we will mail. Subsequently, please visit our website at any time to view your Student Account.

TWO OPTIONS:

<table>
<thead>
<tr>
<th>Pay in Full by Aug. 15</th>
<th>Payment Plan 3 payments due Aug. 15, Sept. 15 and Oct. 15</th>
</tr>
</thead>
</table>

$45 payment plan fee per semester. Participants may sign up for recurring ACH payments online. See back page for additional methods of payment and spring semester payment schedule.

Minimum Initial Payment and Late Fee

Payment is due by August 15, whether you pay in full or make the first of the three payments. If we receive the minimum payment after this date, you must pay a late fee of $150. Westmont may cancel the registration of a student who does not make the minimum initial payment by the first day of the semester.

Finance Charges

Finance charges, at a minimum of ten percent per annum, will be assessed at the end of each month based on the remaining unpaid portion of the statement balance from the beginning of that month. Finance charges will apply even if you make required payments on schedule.

Adjustments and Final Payments

Financial aid and student charges are subject to change, and any changes will lead to appropriate modifications to the required monthly payments. You may modify scheduled ACH payment amounts prior to the payment date.

You must pay all charges on your student account in full by the end of October for the fall semester and the end of March for the spring semester to qualify to register for classes and reserve campus housing for the next semester.

How to Make a Payment

You can pay online using the Make a Payment button, and you can begin making payments of any amount as early as June 15. You may also pay by check, cash or wire transfer. Please see the website for details.

FAQs

Is there a difference between the Student Accounts Office and the Financial Aid Office?
Yes. The Student Accounts Office processes billing and payments and provides customer support regarding student charges. The Financial Aid Office processes financial aid applications, awards scholarships and grants, and certifies loan applications.

Can I access my account online?
To access current account balance information, and to view answers to other frequently asked questions, please go to www.westmont.edu/offices/business.

What can I do on the website?
You can make secure online ACH payments or view the semester charges, financial aid and confirm payments. The website is a good resource—similar to this brochure, but more comprehensive and available all the time, and account transactions will be updated daily.

How do I get a receipt for my online payment?
Immediately after the payment is authorized, the bank will send you an email with a payment confirmation. That payment will be displayed when you login to your Student Account on the next business day.

Does Westmont accept credit card payments?
No. The credit card merchant fees are prohibitively expensive.

How do I avoid finance charges?
Finance charges are assessed on unpaid Student Account balances every month. Paying your balance in full each month avoids the assessment of finance charges.

How can I get cash on campus?
There is a Union Bank ATM in the Kerr Student Center.
