7:30 – Vote: Smart and Fair Vacancy Replacements Act of 2015

The bill proposes a method for vacant positions to be filled in the event that the prior officeholder is unable to fulfill the position. Nominees must meet minimum GPA requirements and must be confirmed by the WCSA Senate by at least a 2/3 margin. “The executive board’s role in the process is pretty limited”, said Riley. “My aim in doing this was to give the senators a fair shake in determining the appointee”.
