Westmont College Mission Statement

Westmont College is an undergraduate, residential, Christian, liberal arts community serving God’s kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world.

WCSA Mission Statement:

WCSA is the voice that represents the diverse views, beliefs, needs, and desires of our student body. We seek to unify faculty, staff, administration, and students by promoting communication and initiating change at Westmont College.

How does your project relate to the mission of the college and WCSA?

In the College Mission Statement, it states that we are a community that is cultivating thoughtful scholars and faithful leaders. This game night will give our residents a chance to take a break from their studies and to be less stressed during their studies and academic endeavors. This chance to destress will provide them with the ability to engage well with others and to focus on their studies.

As for the WCSA Statement, we (as an RA staff) are seeking to be representative of the desires of our students, who have been asking for a competitive Armington event for some time now. We also hope to give the hall a chance to communicate with one another and to develop new contacts and friends throughtout the hall through a social event.
