Westmont College Mission Statement

Westmont College is an undergraduate, residential, Christian, liberal arts community serving God's kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world.

WCSA Mission Statement:

WCSA is the voice that represents the diverse views, beliefs, needs, and desires of our student body. We seek to unify faculty, staff, administration, and students by promoting communication and initiating change at Westmont College.

How does your project relate to the mission of the college and WCSA?

Global awareness entails the immersion of members from the dominant culture into cultures which are not necessarily accessible, appreciated, or understood. Showcasing black fashion displays creativity, shows/explains the origins of contemporary styles, and will hopefully elicit reverence for the nature of the black experience globally.
