#### **Section 1: Title**

Student Activity Fee Recommendation Act of 2014

#### **Section 2: Statement of Purpose**

This bill proposes that the Business Manager, Abby Gritter, recommend to Doug Jones, Vice President for Finance, to keep student activity fee dollars at their current rate (\$160/semester) for the 2015/2016 school year. With an unforeseen \$5 increase from last year, this amount is enough to cover permanent student activity fee reallocation requests from various student organizations to ensure their continued success in providing meaningful representation, services, and events to Westmont students.

#### **Section 3: Statement of Policy**

WCSA Business Manager will recommend that Westmont keep the student activity fee at \$160/semester for the following academic school year.

#### **Section 4: Enactment**

Business Manager shall present this recommendation to Doug Jones following WCSA approval of this act.

#### **Section 5: Requested Appropriation**

No money is requested
