The student stipends for the Emmaus Road core team members are \$100 lower than that of Urban Initiative and Potter's Clay core team members and we would like to see the stipends matched. Currently the ER positions, not including the director, are receiving \$1,200, while the core teams of PC and UI are receiving \$1,300. The directors are all receiving \$1,700.

We would like ours to be raised to match that of PC and UI.
