Westmont College Mission Statement

Westmont College is an undergraduate, residential, Christian, liberal arts community serving God's kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world.

WCSA Mission Statement:

WCSA is the voice that represents the diverse views, beliefs, needs, and desires of our student body. We seek to unify faculty, staff, administration, and students by promoting communication and initiating change at Westmont College.

How does your project relate to the mission of the college and WCSA?

Student leaders are asked to participate in one of three multicultural leadership trainings this year in support of the student life theme on diversity and global engagement. The first of these gatherings is November 5th and specifically designed for student organization leaders growth and understanding of diverse populations. The day long conference should be a great opportunity but given the travel and the long day we will need sustenance.
