

WESTMONT

STUDENT ASSOCIATION

IN THE WESTMONT COLLEGE SENATE

October 25, 2016

Sponsor: Jordan Baldrige

Section 1. “Funding for Armington Surfboard Racks”

WCSA will provide 50% funding for Surfboard Racks to be installed in Armington, Sections D&E. Residence Life has already purchased the parts and will have them installed.

Sections 2. Statement of Purpose

Whereas John Detrich, former Armington Senator, worked hard to bring about the implementation of this project, and whereas this bill fits a demand which accounts for nearly 75% of my constituent requests, I believe it is WCSA’s responsibility to assist in the funding of this timely and helpful service to students.

Section 3. Statement of Policy

- (1) The bill will allocate \$2,525 to Residence Life, in essence a refund, to pay for the cost of half of the surfboard rack project.
- (2) WCSA is not automatically bound to any funding related to the maintenance, expansion, or installment of this project. Any additions to this project can be re-visited by WCSA if such needs arise.

Section 4. Enactment

- (1) The racks will be installed by Physical Plant services on the West side of Armington D and Armington E buildings.
- (2) I, Jordan Baldrige, as Armington Senator, hope to acknowledge John Detrich’s help in bringing this service to our dorm, and will send an informative “All Armington” email as soon as we know more about the immediacy of installment, as well as information regarding use of the racks.

(3) I recommend a future bill allocating funds for the creation of a plaque which says “brought to you by Residence Life and WCSA”, if Stu Cleek and Residence Life will agree to it.

Section 5. Appropriations:

This bill will appropriate \$2,525 from the WCSA account for the purposes listed above.
