Student Publications

Event open to the entire student body?

No

Has your group submitted a proposal in the past? *No*

Describe the nature of your project (Target population, number of students involved, length of project, etc).

1. We would like to increase the current food budget of the Horizon staff.
2. 12 students
3. This will be an on-going bill which's allotted amount depends on the current demographics of the Horizon staff semester to semester

What do you hope to achieve with this project?

- a. We implore you to assist the Horizon staff with access to food during production nights. We as a publication affect not just students but the entire Westmont community, alumni, parents, and donors – yes they actually read it. Though we are editors, we are students first. We want to be stewards of student fee dollars, but also recognize the current surplus and the original function of student fees dollars. As students who each participate in paying the annual student fees dollars, we hope they will achieve their purposed end of being spent.
- b. To not fight my coworkers for dinner. I'm kidding...mostly, but dinner for both vegetarian students and off campus students is difficult when you have a budget of \$20 that must be split between 12 students

How much money are your requesting from WCSA? (Please provide an itemized budget)

Item	Amount
Increased budget	The price of dinner at the DC for each student editor that lives off campus rational: leadership lunches Example: current dinner DC price- \$10.50 current editors off campus- 4 budget increase: \$42.00
TOTAL	\$depends per a year

Westmont College Mission Statement

Westmont College is an undergraduate, residential, Christian, liberal arts community serving God’s kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world.

WCSA Mission Statement:

WCSA is the voice that represents the diverse views, beliefs, needs, and desires of our student body. We seek to unify faculty, staff, administration, and students by promoting communication and initiating change at Westmont College.

How does your project relate to the mission of the college and WCSA?

I think that as the horizon staff, which gives a voice to the student body both domestic and abroad, the editors would greatly appreciate being adequately fed during production nights. We hope that WCSA will recognize that this is a request on behalf of the student body.
