### **Section 1. Title**

*Off Campus Student Take a Professor to Lunch Fund*

### **Sections 2. Statement of Purpose**

Standing within our goal of using our student funds with the purpose of taking advantage of the wonderful resource of our professors, I would like to propose WSCA paying for four student lunches with professors per semester.

### **Section 3. Statement of Policy**

The max amount a student can use of this fund would be \$26.00 of their student fees, so the transfer of another \$1000 to the “Take a Professor” to lunch fund would take place.

### **Section 4. Enactment**

If passed Peter Zippi will work with Angela D’Amour in setting up this automatic transfer.

### **Section 5. Appropriation**

6.5 to 26 dollars per every 170 dollars of student fees, approximately

Up to \$1000 per year.
