**Describe the nature of your project (Target population, number of students involved, length of project, etc).**

Pre-Orientation Adventure Trips consist of 2 different optional outdoor trips from which new students can select. The options are the Sierra Backpacking Adventure or the Multi-Sport Adventure. The trips are designed to bring incoming students together, create friendships, and give participants a taste of the spectacular opportunities nature has to offer. Over the past two years about 20-25 students have participated in these trips. The trips cost between \$800-\$1000 which covers the cost of the trip activities and the faculty teaching stipend. This year I have already received multiple inquires about need based scholarships to participate in trips.

**What do you hope to achieve with this project?**

I hope to be able to open access for to trip participation for students with high need who would otherwise not be able to participate in these trips.

**How much money are your requesting from WCSA? (Please provide an itemized budget)**

<i>Item</i>	<i>Amount</i>
