Peter Zippi- Off Campus Senator

Section 1. Title

Breakfast for Seniors Bill, with a General

Section 2. Statement of Purpose

This bill will provide the purchase of two tickets for the President's Breakfast for two off campus students, chosen at random.

Though this is an expensive appropriation, Senator Zippi believes it is in the best interest of the student body to have representatives at this breakfast, and to have a chance to network with those at the event.

Section 3. Statement of Policy

If passed, \$250.00 dollars will be used to purchase two tickets, for one male and one female off campus student

Section 4. Enactment

If passed, Senator Zippi will use the all-powerful credit card of Mrs. Angela D'Amour to purchase the tickets.
