Department Affiliation: SCRT

Event open to the entire student body?
Yes

Has your group submitted a proposal in the past? No

Describe the nature of your project (Target population, number of students involved, length of project, etc).

I am planning a smoothie fundraiser in Page to raise proceeds to help support local families after the mudslide devastation. This project is also engaging the Santa Barbara Outreach Coordinators that are living in Page. They haven't had many opportunities to fulfill their role and they are excited about getting to do something for our community both at Westmont and in Montecito.

What do you hope to achieve with this project?

We hope to raise funds to help support local families. This money will be sent to Direct Relief, an organization that is doing amazing work in Montecito. I also hope to engage the first year students and the entire Westmont community in supporting Montecito through a feasible option like buying a smoothie. As a Page Ra I have talked to many first years who want to make a difference but either lack the time or the direction in how to help. This project allows people to get involved and help our community in a convenient setting.

How much money are you requesting from WCSA? (Please provide an itemized budget)

Item Amount

Frozen fruit: \$80

Bananas: \$35

Juice: \$45

Cups/straws/napkins: \$40

TOTAL:

\$200

Westmont College Mission Statement

Westmont College is an undergraduate, residential, Christian, liberal arts community serving God’s kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world.

WCSA Mission Statement:

WCSA is the voice that represents the diverse views, beliefs, needs, and desires of our student body. We seek to unify faculty, staff, administration, and students by promoting communication and initiating change at Westmont College.

How does your project relate to the mission of the college and WCSA?

This project aids in the cultivation of creating servant leaders through empowering the Page SBOC’s to make a difference and bridging the gap between Montecito and Westmont. It also engages the entire student body in the opportunity to drink a healthy smoothie while simultaneously supporting the overall health of our community. This project is also promoting global engagement as we are supporting our community through service. This project is in alignment with the mission of WCSA as it will help initiate change that will affect our community inside and outside of Westmont.
