

WESTMONT

COLLEGE STUDENT ASSOCIATION

In the Westmont College Senate
January 18, 2017
Jenna Catalon Off-Campus Senator

Section 1. Title

The Absolute Necessity Act

Section 2. Statement of Purpose

This bill will supply the residents of Ocean View--as well as other off-campus Westmont students--with a high quality mid-range printer¹ to be kept in the OV Lounge.

Section 3. Findings

1. Residents of Ocean View have often made trips up to campus for the sole purpose of utilizing the printing capabilities available to them at Westmont--this is not only a waste of gas but also an unnecessary contribution to the increasing environmental degradation that is characteristic of the modern era.

Section 3. Statement of Policy and Sustainability Framework

1. Upon the passage of this bill, CLR III will allocate \$135.00 to Jenna Catalon for the purchase of a extremely reasonably priced printer, a black ink cartridge², and a case of paper³;
2. The printer will be kept in the OV lounge;
3. It is the responsibility of the WSCA Off-Campus Senator to fund refills for the printer supplies, either through--
 - a. A bill;
 - b. The use of previously allocated residence hall funds;
 - c. Community fundraising techniques;
 - d. Collaboration with the RD and their Ocean View Residence Life Budget; or
 - e. Whatever means future iterations of WSCA deems necessary and proper.

Section 4. Enactment

The outlined policy will take effect immediately upon passage of this bill.
