## COLLEGE STUDENT ASSOCIATION

### SENATE

April 18, 2017

Bethany Ishii, Van Kampen Senator

#### **Section 1. Title**

Van Kampen Ping Pong Table

#### **Section 2. Statement of Purpose**

This bill will fund a nice ping-pong table in the Van Kampen lower lounge. The addition of this game would increase dorm unity and community life, as well as contribute to creating a positive name for WCSA.

Besides Van Kampen being the only on-campus dormitory without a ping-pong table, this residence hall has recently endured hearty construction noises. The beginning of the semester was especially filled with exceptionally loud and early GLC creation, and a ping-pong table would greatly lift the spirits of the residents. This popular activity would also be available to any and all Westmont students who visit Van Kampen.

After an e-mail survey of Van Kampen residents was conducted, the majority of responders voted for the table tennis top, with such responses as: “please,” “a ping pong table is much needed in vk!!,” and “sick!!”

#### **Section 3. Statement of Policy**

Allocation of a one-time \$319.99 (+ tax: \$24.80) fee to cover the shipping and cost of the JOOLA Inside Table Tennis Table.
