1. ILO ASSESSMENT
Five WSCUC-mandated and two Westmont-specific ILOs assessed by Lead Assessment Specialists and ILO Assessment Team

LEAD ASSESSMENT TEAM
Responsible for ILO Assessment

Members include a Lead Assessment Specialist with faculty status who is appointed to spearhead the assessment of a particular ILO and usually serves in this capacity for 18 months, and two-to-six faculty members with relevant professional expertise and experience

2. GENERAL EDUCATION ASSESSMENT
General Education areas assessed individually by GE Committee and GE Assessment Team

GENERAL EDUCATION COMMITTEE
Responsible for General Education Assessment

Members include the Dean of Curriculum and Educational Effectiveness, Registrar, Library Director, and three faculty members who serve on the committee for three consecutive years

3. DEPARTMENTAL REVIEWS
Six-Year and Annual Reports prepared by 19 academic departments, Athletics, Library, and Student Life, and reviewed by Program Review Committee

PROGRAM REVIEW COMMITTEE
Members include the Associate Provost/ALO, Dean of Curriculum and Educational Effectiveness, Librarian, Student Life Representative, Recording Secretary/LiveText Coordinator, and three faculty members who serve on the committee for three consecutive years

At Westmont, we have envisioned our program review and assessment efforts as three central strands: 1) Institutional Learning Outcomes, guided by a Lead Assessment Specialist and the Academic Senate; 2) General Education Review, guided by the General Education Committee; and 3) Departmental Reviews and Six-Year Annual Reports, guided by the Program Review Committee.
