

Current students who are interested in withdrawing from Westmont can begin the process by contacting the Student Records office at (805) 565-6060 or [registrar@westmont.edu](mailto:registrar@westmont.edu).

As we walk beside you during the process of withdrawing we will schedule a short conversation (10-15 minutes) between you and a Student Records office staff member. During the conversation we will ask you a few questions about your withdrawal from Westmont and your plans for the future, including the possibility of returning to Westmont. As we monitor student withdrawals it will be helpful for us if you provide as much information as you are comfortable providing. The overall goal of this meeting is so that we can be sure that you are prepared for the next stage of your academic journey.

We look forward to speaking with you soon and helping you during this transition.
