*Notes:

1. Credit is awarded only upon receipt of official score report received directly from the College Board.
2. Credit towards a particular major is determined by the major department after enrolling at Westmont.
3. A maximum of 32 AP/IB units will be credited toward a Westmont degree.
4. AP credit may not be applied to any of the **Common Contexts** requirements.
5. AP credit may be applied to a maximum of three **Common Inquiries** requirements without restriction. A student may petition to apply AP credit to additional **Common Inquiries** areas upon completing an advanced course in the AP area at Westmont.
