

Major/Minor Overlap Analysis

Major	Minor	Amount of Overlap Possible	Notes
Biology: BS Cellular	Chemistry	Total overlap	An exception for this was in place prior to Fall 2012
Biology: BS Ecology	Chemistry	Could be total overlap	An exception for this was in place prior to Fall 2012
Chemistry: BA Biochemistry	Biology	Could be total overlap	An exception for this was in place prior to Fall 2012
Chemistry: BS Biochemistry	Biology	Could be total overlap	An exception for this was in place prior to Fall 2012
Kinesiology: Pre-Med	Biology and Chemistry	Total overlap	For both Biology and Chemistry minors student needs 1 more upper division course in Biology or Chemistry - restriction on the overlap between two minors
Art	Art History	2 upper division course overlap possible	
Data Analytics	Economics & Business	2 upper division course overlap possible	
French	History	2 upper division course overlap possible	
Political Science: Pre-Law	Communication Studies	2 upper division course overlap possible	
Political Science: In't Security & Devl	Economics & Business	2 upper division course overlap possible	
English-Modern Languages	Spanish and French	3-4 upper division course overlap possible	
English-Modern Languages	English	Could be total overlap	
European Studies	Spanish and French	2-4 upper division course overlap possible	
European Studies	History	2 upper division course overlap possible	
European Studies	Art History	2-3 upper division course overlap possible	
Social Science - 4 possible concentrations	Economics & Business	4-5 if allowed to minor in the concentration - up to 3 upper division course overlap if a supporting area	
	History	4-5 if allowed to minor in the concentration - up to 3 upper division course overlap if a supporting area	
	Political Science	Total overlap if allowed to minor in the concentration - up to 2 upper division course overlap if a supporting area	
	Sociology	Total overlap if allowed to minor in the concentration - up to 3 upper division course overlap if a supporting area
