# WE ARE Warriors

## Coaches

Outstanding coaches provide personal guidance on the field and in life. These caring and capable mentors prepare athletes for challenges facing them in athletic competition, in the classroom and in life after graduation.

“Endeavoring to excel as a student-athlete at Westmont will stretch you outside your comfort zone as you challenge your body, mind and soul to maximize your talents both in and out of the athletic arena. You develop the skills, habits and character that will stay with you long after your athletic career has ended.”  
-Kirsten Moore, Women's Basketball Head Coach

“Athletics is at its best when it is done in a community where athletes become members of a village striving to play for one another. Sacrifice and surrender are more essential than satisfaction and stardom. The surrender to the common cause and sacrifice for the good of the whole forms the finest teams.”  
-Landon Boucher, Men's Basketball Head Coach

“I know that my teammates, my coaches and the athletic department care about me rather than just my stats. Westmont volleyball has left me with lifelong friendships that continue to inspire me to be better.”  
-Cassidy

“Sports are a microcosm of life. At Westmont, I've developed a better understanding of the bigger picture of life beyond sports and how sports provide a platform for student-athletes and coaches alike to demonstrate Christ's love for us.”  
-Tim

## Financial Aid and Scholarships

Each Warrior team offers athletic scholarships to outstanding recruits. Coaches use a variety of criteria in awarding this aid. Athletes may also qualify for academic or need-based assistance through a combined financial aid package. Westmont encourages everyone to file the Free Application for Federal Student Aid (FAFSA).

**95%** of first-year and transfer students at Westmont receive academic scholarships, talent-based and athletic scholarships and/or need-based grants.
