Coaches

Outstanding coaches provide personal guidance on the field and in life. These caring and capable mentors prepare athletes for challenges facing them in athletic competition, in the classroom and in life after graduation.

Athletes are taught to excel as a student-athlete at Westmont, while you develop your comfort zone as you challenge your body, mind and soul to maximize your talents both in and out of the athletic arena. You develop the skills, habits and character that will stay with you long after your athletic career has ended.
