

INCLUSIVE EXCELLENCE LEADERSHIP IN ACTION

DISCUSSION QUESTIONS

1. What is inclusive excellence and why does it matter in leadership and in institutions/ organizations?
2. How does inclusive excellence/diversity bring value and perspective to an institution and make it better?
3. Which Scriptures inform your views on diversity, equity, and justice?
4. Scholars have noted the double burden of racism and sexism that women and people of color experience in organizations and society. Discuss this double burden in the context of your institution/organization. What actions are you and your institution taking to address racism, sexism, and other *isms*?
5. How can Christian higher education lead the way when it comes to inclusive excellence?
6. After what you have heard today, what is one thing you can start doing to lead with inclusive excellence?
