

WESTMONT

STUDENT LIFE

WAC, CLUBS, LOCAL MINISTRIES & ICP COVID PREPAREDNESS PLAN

FOCUS OF THE PLANNING GROUP

Campus Life events, student organizations, student clubs and ICP events.

ADAPTATIONS FOR WAC, CLUBS, LOCAL MINISTRIES AND ICP

Campus Life and ICP activities are an important part of the Westmont student experience. We will use every means available to us to build community and provide opportunities for students to engage with each other on campus and to serve off campus.

WAC will hold virtual events in the fall with the possibility of adding in-person components in line with college and county regulations (e.g., trivia night, socially distanced silent disco, Take Home Movie Night). The Community Picnic will be a socially distanced small group activity. Student leadership teams will meet socially distanced but all meetings for their groups will be virtual. Unfortunately, Juntos and Fall Breakaway trips will not occur but Ministry and Outreach groups will remain active through virtual educational events (e.g., book groups, Video series). Leadership teams will research safe options for students to serve locally.

ICP group meetings will occur virtually, as will larger events. As college and county guidelines change, on campus gatherings may be incorporated. We are considering how we can hold the ICP Connect retreat as a one-day event on or near campus (not an overnight retreat).

Clubs will adapt their plans this fall. In order for a shared interest club to remain active in the fall, they will need to submit a plan to the clubs director outlining how they will abide by the college's regulations. Athletic Clubs must follow the athletic department guidelines and have proposals approved.

For events where food is involved, food will be pre-packaged.
