How to Calculate Your Semi-Monthly Cost:
Step 1: Use the chart above to find your Semi-Monthly rate based on your age as of your effective date.
Step 2: Multiply this rate by your desired coverage amount, in units. Reference the table above to find the appropriate unit amounts for employee and/or dependents.
Step 3: The result is the Semi-Monthly cost.

Important Definitions and Policy Provisions:
When Your Coverage Begins and Ends – Coverage becomes effective on the later of the program’s effective date, the date you become eligible, the date your enrollment elections are received if applicable, or the date you authorize any necessary payroll deductions if applicable. Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any spouse or child who on the effective date is hospital or home confined, receiving chemotherapy or radiation treatment, or disabled and under the care of a physician. Coverage will end on the earliest of the date you are eligible for coverage under a plan intended to replace this coverage, you or your dependents if applicable, are no longer eligible, the group policy is no longer in force, or required premiums are not paid.

Benefit Reductions, Exclusions, and Limitations:
Exclusions - Voluntary life insurance will not be paid if you commit suicide, while sane or insane, within the first two years of coverage. Limitations - The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details. Benefits will be extended without premium payment until the earlier of the date you are no longer disabled, or the date you fail to qualify for Waiver of Premium or fail to provide proof of Disability. Waiver of Premium – After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled. This benefit will remain active until age 65 subject to proof of continuing disability each year.

Guaranteed Issue:
If you are a new hire and you apply within 31 days after you are eligible to elect coverage for yourself, you are entitled to choose any coverage offered up to the Guaranteed Issue Amount, without providing evidence of good health. If you apply for an amount of coverage greater than the Guaranteed Issue Amount, coverage in excess of the Guaranteed Issue Amount will not be issued until the insurance company approves acceptable evidence of good health. If you apply for coverage for yourself more than 31 days from the date you become eligible to elect coverage under this plan, the Guaranteed Issue Amount will not apply, unless Guaranteed Issue has been approved by your employer for a specific period of time. Coverage will not be issued until the insurance company approves acceptable evidence of good health.

These are summarized definitions only. To be eligible for coverage, the covered illness or event must meet the definitions and other terms and conditions set forth in the group policy.

This Policy Provides Limited Coverage. It Pays a Fixed Benefit and Does Not Cover Medical Expenses as Incurred. This Is Not a Substitute for Comprehensive or Major Medical Health Insurance. This Coverage Does Not Satisfy the Individual Mandate of the Affordable Care Act Because the Coverage Does Not Meet the Requirements of Minimum Essential Coverage.
