## COLLEGE STUDENT ASSOCIATION

**In the Westmont College Senate**

March 26, 2019

*Lina Reid, Page Senator*

### **Section 1. Title**

1. *Page Surfboard Racks*

### **Section 2. Statement of Purpose**

1. This bill will provide up to \$275 for the purchase of 2 horizontal surfboard racks and a mat for underneath the racks. Other dorms such as Armington and VK have surfboard racks that help to serve the community that takes advantage of how close Westmont is to the beach. Currently, the students have had to store their surfboards either outside, which are susceptible to theft, or in the telephone rooms, which is very inconvenient. Both historically and currently the residents of Page have been outspoken in their desire for these racks.

### **Section 3. Statement of Policy**

1. A total of up to \$275 used on Amazon.com will be appropriated for the enactment of this bill due to reasons and purpose stated above.
2. The allocated funds will buy (2) surfboard racks, \$89.95 each, and shipping which is \$21.49.
3. It will also buy a surfboard rack for \$74.87.

### **Section 4. Enactment**

1. Upon the approval and passage of this bill, the Westmont College Student Association by means of Business Manager Benjamin Meyers will transfer up to \$275.00 to Dan Taylor with Residence Life, for the purchase of the 2 surfboard racks and the mat.
2. The surfboard racks and mat purchased with these funds will be delivered to Residence Life, and will be installed on the back side of Page by the physical plant as soon as they arrive.
