### **Section 1. The Longest Night**

#### **Sections 2. Statement of Purposes**

Finals week is closer than any of us would like to admit. In less than a month, students from all walks of Westmont will gather in the library to study furiously for exams, spending night after long night in various states of sleep deprivation.

In order to best support students, WCSA has historically funded snacks and beverages at the library during this week. It is a great partnership and way to demonstrate to students that we care. The library staff has reached out the WCSA and once again requested our support for this initiative.

#### **Section 3. Statement of Policy**

The library has requested \$400 for the purchase of the following items for the duration of finals week:

- Donuts
- Grapes
- Cookies
- Chips and other salty snacks
- Coffee
- Tea (a variety)
- Hot cocoa packets
- Coffee cups
- Lids
- Creamers
- Sugar and sugar substitutes
- Coffee stir sticks
- Napkins
- Small plates

#### **Section 4. Enactment**

Business manager Ben Myers would transfer \$400 to Lauren Kelley, Outreach and Instruction Librarian. The library staff would oversee the purchase and distribution of the food.
