The Women of Westmont (WOW) A Cappella group is proud to have a diverse group of women from a variety of disciplines at Westmont College. This group gives a space for women to continue to stay engaged in music, even amidst their busy schedules, and to develop deeper relationships with like-minded individuals. WOW A Cappella encourages its members to grow as musicians, as well as leaders, through an environment that is both empowering and collaborative. We, as a club, are looking forward to partnering with WCSA and living out Westmont's goal of engaging students as whole people who are leaders both in the classroom and in their communities. This concert is one small way we can serve our community, by providing music that is captivating, uplifting, and relevant to our community
