

WCSA Funding Proposal Form

Any Westmont student, faculty or staff member is eligible to submit a funding request to WCSA. WCSA strives to utilize its budget to meet the needs of our campus and our student body. Past proposals have included funding the purchase of fruit trees for the Westmont garden and partnering with the library to provide coffee and snacks during finals week. Funds have also supported student initiated events such as film festivals and movie screenings.

Each proposal is examined by WCSA. Then, WCSA will vote on whether to approval the proposal. You will be notified by e-mail regarding the decision on your funding proposal generally within two weeks.

Guidelines:

Be thorough in filling out the funding proposal form. Please provide as much detail as possible regarding the purpose of the request and funding desired. Failure to do so may result in a delay.

Funding proposals need to be submitted at least 2 weeks prior to request need or event. Funding proposals outside of this time frame may still be submitted but are they are unlikely to be approved.

If you are requesting funds for a campus event, please complete the event proposal form on the Campus Life Office website prior to completing a WCSA funding proposal. All events must be approved and sponsored by a campus department or student organization prior to receiving funding.

You are highly encouraged to come to clarify the purpose of your funding proposal at the meeting following your request submission. This is to prevent any delays in funding your request.

If your funding proposal is approved, it is imperative that you present WCSA the receipts of your purchases. Failure to produce receipts could result in WCSA concluding to suspend an individual's or organization's ability to request funding.

Please see the WCSA Website (<https://www.westmont.edu/student-life/campus-activities/westmont-college-student-association>) for FAQs.

No

If yes, when?

We requested \$400 from WCSA in September to fund a dinner for ASA constituents at the Song's house.

Describe the nature of your project (Target population, number of students involved, length of project, etc.) *

The ASA Movie Night is an outreach event that ASA is hosting to reach the greater Westmont community by showing Howl's Moving Castle, which is produced by a famous Japanese animation film studio. (We are anticipating at least 50 people, but we are not sure how many people will attend.) We will also be serving churros and drinks for attendants. This event will be around 2.5 hours long and is open to all Westmont students, staff, and faculty.

What do you hope to achieve with this project? *

In this transitional period, we hope to bring Westmont students together. Our aim is to create a space where a multitude of students can gather and watch a movie together. We want this to be a safe place for students to take a break from school and socialize. We also want to use this opportunity to share part of our Asian culture by showing Howl's Moving Castle, a famous Japanese movie produced by Studio Ghibli. As this is an outreach event, we hope that this event will make students aware of ICP and encourage people to engage in ICOs on campus.

How much money are you requesting from WCSA? Please provide an itemized budget (item, price, and total amount). *

\$500; \$15 for the DVD copy of Howl's Moving Castle, \$350 for the rights to stream the movie, \$135 for churros & drinks

How does your project relate to the mission of the college and WCSA? (Mission statements are at the top of this form) *

Our project relates to the mission of the college and WCSA by fostering community among students. As this is one of the first in-person events, we hope that students will use this opportunity to befriend their peers outside of their classes and beyond the scope of ASA. In showing Howl's Moving Castle, we also want to introduce a small portion of our Asian background to the greater Westmont community, as this movie is one that many Asian Americans grew up watching. We hope that this movie will encourage students to diversify their perspectives on Asian culture.

Payment Logistics (provide who to pay and the account #) *
