

WCSA Funding Proposal Form

Any Westmont student, faculty or staff member is eligible to submit a funding request to WCSA. WCSA strives to utilize its budget to meet the needs of our campus and our student body. Past proposals have included funding the purchase of fruit trees for the Westmont garden and partnering with the library to provide coffee and snacks during finals week. Funds have also supported student initiated events such as film festivals and movie screenings.

Each proposal is examined by WCSA. Then, WCSA will vote on whether to approval the proposal. You will be notified by e-mail regarding the decision on your funding proposal generally within two weeks.

Guidelines:

Be thorough in filling out the funding proposal form. Please provide as much detail as possible regarding the purpose of the request and funding desired. Failure to do so may result in a delay.

Funding proposals need to be submitted at least 2 weeks prior to request need or event. Funding proposals outside of this time frame may still be submitted but are they are unlikely to be approved.

If you are requesting funds for a campus event, please complete the event proposal form on the Campus Life Office website prior to completing a WCSA funding proposal. All events must be approved and sponsored by a campus department or student organization prior to receiving funding.

You are highly encouraged to come to clarify the purpose of your funding proposal at the meeting following your request submission. This is to prevent any delays in funding your request.

If your funding proposal is approved, it is imperative that you present WCSA the receipts of your purchases. Failure to produce receipts could result in WCSA concluding to suspend an individual's or organization's ability to request funding.

Please see the WCSA Website (<https://www.westmont.edu/student-life/campus-activities/westmont-college-student-association>) for FAQs.

Describe the nature of your project (Target population, number of students involved, length of project, etc.) *

We would like to purchase sweatshirts for ASA constituents, this is a ball park of 30-35 sweatshirts at \$28 each after tax and shipping. ASA can pay for some of it but our yearly budget won't be able to cover all, we can pay for around \$250 and hope that WCSA can cover the rest.

What do you hope to achieve with this project? *

Especially in light of the increase of hate crimes against Asian students in the Nation, we feel that having a unifying article of clothing among Asian students on campus will build solidarity and community. ASA has not had any sort of apparel for any of the 4 years current students have attended Westmont for, we hope to change that.

How much money are you requesting from WCSA? Please provide an itemized budget (item, price, and total amount). *

\$570, 30 sweatshirts @ \$28 each = 840-250 = \$590 (from custom ink)

How does your project relate to the mission of the college and WCSA? (Mission statements are at the top of this form) *

This project relates to the mission of the college and WCSA given how it unifies Asian students on campus. Just as we hope to be good stewards of God's kingdom in the community beyond Westmont, we endeavor to represent our own Asian community here on campus well and continue to promote constructive dialogue on AAPI history and systemic prejudices that affect our lives. The AAPI community is often overlooked or downplayed, so having a unifying article of clothing helps students wear their pride in their culture or heritage when voices are not always heard.
